V. Cr. No. 07-124-04T

KAREN LYNCH

MOTION TO CONTINUE SURRENDER DATE

Now comes this Defendant, Karen Lynch, and moves that this Honorable Court continue the date set for her surrender for service of sentence, for the reason that Defendant "underwent spinal surgery on 4/3/08 for a significant lumbar spine neurologic problem," according to her orthopedic surgeon, Mark A Palumbo, MD of University Orthopedics. Defendant is presently scheduled to surrender on Monday, April 21, 2008; she has been designated to FCI Danbury.

Defendant requests, in accordance with the opinion of her orthopedic surgeon as set forth in the accompanying letter regarding the length of her anticipated recovery phase, that her surrender date be continued to Monday, May 19, 2008.

Counsel has conferred with AUSA Sandra Beckner regarding this request, and the Government has no objection thereto.
